OUR POLICIES

COMMERCIAL MOTOR VEHICLE

Protects what is crucial to your business. Don't forget to include the vital Loss of Use extension.

PERSONAL ACCIDENT AND ILLNESS

If you are unable to work due to illness or injury, this cover will provide for the cost of hiring a replacement driver so that your business can keep operating.

PUBLIC LIABILITY

Providing cover for compensation you may be legally liable to pay in respect of personal injury or property damage to third parties.

BAILEES LIABILITY

Your business needs this cover to protect your legal liability following loss or damage to goods you store on behalf of others.

CARRIERS LIABILITY

This is essential if you're carrying goods on behalf of others. Under the Carriage of Goods Act you have a legal liability for anything you carry belonging to others.

MATERIAL DAMAGE

This cover will protect your commercial property against accidental loss or damage (including burglary) - including buildings, plant, stock and general contents.

EMPLOYERS LIABILITY / STATUTORY LIABILITY (FINES AND DEFENCE COSTS)

This covers claims made by employees for injuries or illness at work that are not covered by ACC. The cover also provides for fines and defence costs following inadvertent offences under many Acts of Parliament, including the Fair Trading and Resources Management Acts.

BUSINESS INTERRUPTION

If the worst happens and your business can't open or is interrupted you'll be protected for lost turnover and any additional expenses that the business may incur.

DOMESTIC INSURANCE PACKAGE

Don't forget, we can also arrange cover on your personal assets - Home, Contents, Private Vehicles and even the family boat.
